Marie!!!!!!! : I would like to go on Erasmus to Finland. I think it would be interesting to get to know a completely new environment, people, culture and ~~new ways of theatre education~~ new approaches to theatre ed.

Ways TO do something / way OF doing something

Approach = pristup

Methods of

Attitude = postoj (physical or metaphorical)

Stance = postoj/ stanovisko

I would get the chance to learn some basic words in Finnish and then I'd be better educated. This would help me to understand their culture even more, to be able to adapt to it, and to feel more European.

To get to know ☺ = seznámit se s necim
The country(side) = příroda / venkov

Klara!!!! : I w l to go on Erasmus to Hungary because I was in that country just one time. My grandmother was Hungarian, so I would like to get to know more about this country. And I want to see Budapest, the capital city because I heard that this city is very nice.

**I am hungry and I am angry.
I ate fish, and my dog ate beef.**

Kristian!!!! YO!!!!

I would l. to go on Erasmus to Bulgaria because Bulgarian people love and respect our country. I was there last summer with my friends last summer and it was really great. There is amazing night life and big parties every day. Bulgaria isn't **an expensive country and Bulgarian beer, which is called Zag., is quite good.**

Jordana: to Hungary. It's a very different and special country in Europe. I'd like to try their style of life and get to know if it is **similar to ours. I'd like to learn a little bit of the crazy language. I appreciate their energy, similar to gypsies. I hope it helps me to improve my energy.**

Hope + present tense / future tense

Iva: I would like to go to Iceland because my classmate was there and she has so many beautiful memories of that country. I saw a few documentaries about Iceland and I've been enchanted by spectacular scenery. I also suppose that Icelandic people are very nice. Actually, I don't know too much about the theatre history of Iceland but that is the reason I want to explore this specific culture.

Documentary = dokument

Priroda	countryside
	Environment
	Landscape
	Forests, mountains, etc
	Scenery
	Nature

Nikola!!!!!!

To Iceland and I have only one reason, but it is an important one. I read in the newspaper that in Iceland building works on the road were stopped because of elves who didn't wish people to continue with that work. And it absolutely amazed me. I need to visit the country where stuff like that can happen. In other parts of Europe, I am pretty sure people would use a lot of really serious logical reasons, but

not this one, which is really serious, I think. The info that there is a country which still listens to what **nature tries to say makes me feel really safe and happy.**

1 leaf, 2 leaves

1 elf, 2 elves

Demanding = naročný

Lucka!!!!!!!!!!!!!!

Pronunciation of “to”:

T’ Spain (place)

T’ go (verb)

T’ you (person)

I am so sad, I have nobody t’ talk TO.

I would like to go to Spain because I really love Spanish and unfortunately, this year, I don’t have time to study it. So I want to improve my skills.

****What is more / In addition,** I admire their culture and the Spanish people. They are so open-minded and full of energy. And I think that I really need this kind of life.**

I can also speak French.

I can speak French as well.

Film/Play reviews

Is a play which was performed

A film which was screened

The last performance = derniera

At the end of last year

It was directed by Ivan B, who is the present/current artistic director. The main plot is about the mother's blind view of the world. She has only got work, and after work she goes home and relaxes there. Her daughter hates her because of it.

First World Problems:

Klarka: My problem is that I think have big ears because my 18000 Kc Iphone photographs them that way.

I often too tired to go to bed.

I really want to do something but I'm too lazy to start.

Jordana: I discovered that my expensive health food is made of air. I want to say

Jana: I so hungry because I cannot decide whether I want the caviar or the smoked salmon.

Ivca: The fridge is full of yummy unhealthy food, but I want to live in a healthy way.

Marketa: When I am falling asleep I get thirsty, but I have to go through two doors to get to my fresh cool chlorinated free drinking water.

Film Reviews 3rd paragraph:

What I really like about the dir. Is the fact that he is so unpredictable. The story is full of (plot) **twists (=zvraty) and we don't know where the truth is. I admire the main actress as well. She was very **convincing**, every piece of her insane soul.**

What I really like about this play is the realistic acting, which is basically typical for HaDivadlo, and the **topic is also interesting, I mean the most interesting thing is not the lesbian relationship. It is**

the specific view of the **mother-daughter relationship** and generational differences.

What I really like about the play is the fact that it shows how we look at these things that happened in the past from today's point of view. The **rotating** stage set of the house where the two families from the different times lived is really interesting and it puts the two **storylines** very well together.

What I really like is the actor F M A as Salieri. Another thing that I really like is the wonderful set. I appreciated the camera work / **cinematography** of M O.

Preventivni opatreni + In case something bad happens (in the present tense).

Fear of Heights

**The characters from *the Idiot* enter. After R, who
comes totally drunk with a bunch of cakes and a
knife for killing the snow-white hen, Prince Myskin
enters accompanied by Rembrandt's hen. D freaks
out! He didn't anything like this! He is confused and
scared by Dali's interpretation, but Dali continues
with his experiment and he gives freedom to his
characters! R's hen changes into Aglaj, Prince M**

changes into a rooster and back again. R and M change into flies, D himself changes into a rooster. The characters agree with Dali. They want to prove that they are independent / autonomous and free beings. Aglaj cannot accept that Prince M prefers Natasha Phillipova and he didn't let her feel the love that he himself called forth. R has killed NF and now wants to understand his own moral law....NF wants a public admission from the author that she is a clone of Apollinaire Suslova.
