## 15.5.15: Erasmus Where and Why

I want to go to Ireland for Erasmus because Ireland has very nice countryside, beer, and whiskey. I think it would be very pretty to spend time. I also think that Irish people might be like me.

Priroda do Ang: ☹

Environment	zivotni prostredi
The country(side)	venkov
Mountains	hory
Scenery	= beautiful view
Landscape	krajina
“The outdoors”	
Nature	biology

(Domestic cats live 15 years, but in nature, wild cats live only 10.)

I would really like to visit Georgia (the country), because when I saw their performance at Encounter, I was absolutely

amazed even if it lasted three hours. There wasn't an empty seat, but the truth is that they worked on that for more than a year, so the Erasmus program would not be enough.
