The name of the movie I chose is Exodus: Gods and Kings ☺. This movie ~~had opening night~~ was premiered last year. It's based ~~by~~ on a story from the bible about Moses. This movie belongs to the action and adventure genre and the director of this movie is Ridley Scott. The main character is played by Christian Bale/ Christian Bale played the main role.

Sweeney Todd

Sweeney Todd is ~~as~~ a musical ~~performance~~. The story was written by Stephen Sondheim, an American composer and lyricist. He is famous for his lyrics for the musical West Side Story.

The plot is about the demon barber ~~from~~ Sweeney Todd, who comes back to London from prison. He feels innocent and swears revenge on everybody.

The musical is performed at The Theater Na Orlí in Brno and directed by Hana Mikolášková. It lasts two hours and forty minutes. Students from the JAMU Academy, mainly from the fourth year of musical acting, play important roles in this drama.

~~Scene~~ The set and costumes are rich and imaginative. The performance has a lot of special effects. The Music and songs are very difficult to interpret. The role of Mrs. Lovett was interestingly portrayed by Katarína Mikulová. She was a very comic character. I was impressed by judge Turpin, a character played by David Janošek. David also designed the costumes and set. He is a student in JAMU, attending the fourth year of acting. I was thrilled and I highly recommend the performance to a discerning spectator.

Set   = kulisy
Setting   = místo a doba konání té hry
Discerning   = vybíravý

Majka the girl from Blava ☺

The name of the movie I chose is The Theory of Everything. The film is biographical and romantic, and it is about Stephen Hawking. It's directed by James Mrtet. Felicity Jones and Eddy Redmyne played the main roles. ☺

The Theory of Everything is about / tells the story of a man/scientist called Stephen Hawking. He is very clever but he is very sick and his muscles have stopped working. !!!!!!!

He was blind from the first day and prayed there was some way
A blind boy could play children's games
There was never a friend who poor Johnny could turn to
The boys in the town called him names

And teased him:
Blue, Blue, Blue, Johnny Blue
See the colors of the rainbow
Blue, Blue, Blue, Johnny Blue
How the children made him cry

His guitar was an old one, a present from someone
And no one could take it away
He heard all kinds of music and learned how to use it
To make a new song every day

He told them:
Blue, Blue, Blue, Johnny Blue
Here's a song about my rainbow
Blue, Blue, Blue, Johnny Blue
All the children sang along

And in no time he found words to rhyme (Blue, Blue, Blue, Johnny Blue)
Made for music created with help from above (We love all your words and music)

Painting pictures, all in harmony (Blue, Blue, Blue, Johnny Blue)
Follow happiness and love

Because out of his darkness came beautiful sunshine
To light up and touch everything
Now his name is a legend and millions of people
Will run to hear Johnny Blue sing

Oh Johnny Blue, Blue, Blue, Johnny Blue
We love you the whole world over
Blue, Blue, Blue, Johnny Blue
And it's only just begun

Blue, Blue, Blue, Johnny Blue
We love all your words and music
Blue, Blue, Blue, Johnny Blue
Singing songs for everyone

(Blue, Blue, Blue, Johnny Blue)
And it's only just begun

The musical is/was performed in the Theater Na Orli in Brno and H.M. is director.

K.M portrayed the role of Mrs. Lovett very interestingly and comically.

It is a romantic love story combined with comic and dramatic elements.
