Pronunciation issues:

1) How to pronounce “to” in English:

To + infinitive of a verb

To a place/person

Group the “to” together with the other, more important word, and pronounce it t’

The only time we say “TO” is when this word is a preposition at the **END** of a sentence:

I have nobody to talk **TO**.

(sometimes you will hear “TO” before a vowel)

I gave the money **to a**nother actor.
