

Stop illegal de-voicing of consonants!!!

English prefers **voiced** rather than **unvoiced** consonants at the ends of words.

V - f	Lev	lef	have	half
D - t	Schod	schot	...ed	...et
B - p	Dub	dup	hub	hup
G - k	dabing	dabink	..ing	...ink
(h - ch)	snih	snich	-	-
d' - t'	lod'	lot'	-	-
Ž - š	Garaž	garaš	..age	...éteh
Z - s	obraz	obras	maze	mace

The most common words where we write S but we want Z:

Is, Was, Does, Has, Says

As, because

Always, sometimes/ at times, nowadays

These/those, Whose, His, Yours/hers/ours/theirs

!!! For plurals, the 3rd person of verbs, and possessives:

Pronounce neznele (ck,k,f,p,t) plus S desks

Pronounce znele (samohlasky + ostatni souhlasky) plus Z chairZ
